Subject: Project Closure Certificate for NCCS RF – 002 "Self Cyber Defense Evaluation System"

1. I am writing this letter with pleasure on the successful completion of the subject project. The project was selected based on its market demand, and now we are expecting good sales and expansion of your present customer pool with the help of your industry partner. NCCS secretariat will contact you at the end of every financial year (30th June) to get updates on the sales.
2. We hope that the success of this project will initiate long-term R&D at your university which will be beneficial for the advancement of this field in Pakistan. I again thank and appreciate your team members for their support and service in completing this project and we are hopeful that you will set new benchmarks for cybersecurity research in your future projects.
3. This letter may be considered as project completion evidence. You are requested to retain all financial and technical data in the university repository for any further audit if required.
4. Congratulations on your good work!
Profound Regards

PROF. DR. KASHIF KIFAYAT
